## Bellino FineLinens - Made in Italy

Bellino Fine Linens has been providing exquisite luxury linens for the bed, bath and table in addition to throws, accessories and baby linens for well over a decade. All of our linens are made of 100% Egyptian long staple cotton and everything is manufactured under strict quality control in our own factories by the best artisans with generations of experience. We use only the finest quality fabrics woven exclusively for us in Italy.

We offer an extensive range of product to suit the needs of the most distinguished buyer. From fine Italian, French or Swiss laces on 100% Egyptian cotton ranging from 300 thread count to 600 thread count to high thread count percales as well as fine Irish linen. Elegant jacquards, yarn dyes and sateen are just some of our specialties and we also have a wonderful assortment of prints on cotton sateen in addition to a distinguished line of basics, in a delightful palette of colors.

Bellino has also diversified its channels of distribution and today is successfully developing product for very high profile designers/retailers and in fact its private label division is the fastest growing division in the company. The company is also aggressively going after the Hospitality industry, primarily high end hotels and inns as well as resorts, casinos and restaurants.

Bellino is a long standing and powerful brand in the luxury linens arena, It currently has a well entrenched distribution among the more meaningful high-end boutiques, catalogs and department stores across the nation.

We have offices and warehousing in New Jersey and showrooms in New York City and Atlanta, GA.
